

Hello,

My name is Tee Talbott, I am the OneSight Captain of the LensCrafters at Arapahoe Crossings and I'm working in conjunction with OneSight 501(c)(3)a Global Charity Organization, this organization provides free eye care and prescription eyewear for people in need. That is why I'm contacting you today; we are having our annual OneDay community event on Thursday, December 10th. On Oneday Luxottica employees' worldwide join together to participate in OneSight. In North America participating Luxottica retail stores provide free eye exams and eyewear to those in need in their local communities. OneDay was started in 1993 and since then we've helped hundreds of thousands of people see more clearly. Our goal this year for Oneday is to give the Gift of Sight to at least 25 people. We need you or your organizations help locating people who are in need of free eye exams and glasses. Your help in this is greatly appreciated: we would like to get the eye exams done before the event so we can hand out the eyeglasses the morning of Thursday, December 10th during a reception from 10 a.m. to 12 p.m. Qualifications are (I.E. the inability to pay for glasses or an eye exam out of pocket or with insurance) although we would like to help everyone, this service is for people in extreme need with no other means of procuring eyeglasses or eye exams.

Please contact Tee Talbott at 303.617.4563 with any questions; we are excited at the possibility of working with your organization.

Thank You,
Tee Talbott
